

REMARKS

Applicant respectfully requests entry of the above amendment prior to examination. Claims 1-21 of the parent case were allowed. To avoid confusion, the numbering of the claims from the parent application is maintained here. Therefore, the claims of this child case start with 22.

Prior Art Status of References

Applicant does not explicitly or implicitly admit that any reference is prior art. Nothing in this communication should be considered an acknowledgement, acceptance, or admission that any reference is considered prior art.

Amendments

Applicant adds a new claim 22 herein that is directed towards the computer interface and communications protocol being wireless. Other independent claims are modified similarly.
